Custom print acoustic panel

Your artwork, logo or photo printed on an acoustic panel

Sizes	600 × 600, 1200 × 600, 1800 × 600 mm · Custom sizes after artwork review
Thickness	25 mm or 50 mm
Acoustic	Printed synthetic face over the Flexi core. Absorption data for the printed face on request
Core	High-density absorptive core, as Flexi
Face	Custom-printed synthetic face; wipeable, more moisture resistant than fabric, not waterproof
Edges	On request
Weight	As Flexi of the same size
Fixing	As the Flexi wall panel
Typical use	Brand walls in offices, artwork walls in restaurants and hotels
Colours	Any artwork, printed to your file
Fire and emissions	Product-specific reports on request
Lead time	About 15 working days on our production schedule after the deposit, then delivery; about 4 to 6 weeks to installed
Warranty	1 year on materials and workmanship
Care	Vacuum gently or wipe lightly with a dry or slightly damp cloth. Do not soak or scrub
